INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Boys & Girls Clubs of Fresno County Fresno, California

Report on the Financial Statements

We have audited the accompanying financial statements of Boys & Girls Clubs of Fresno (the "Organization"), which comprise the statements of financial position as of September 30, 2018 and 2017 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys & Girls Clubs of Fresno County as of September 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 27, 2019, on our consideration of Boys & Girls Clubs of Fresno County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTE 1 – ORGANIZATION AND OPERATIONS

Boys & Girls Clubs of Fresno County (the "Organization") is a not-for-profit organization formed in 1949 for the purpose of serving youth through the offering of the following core services at its various locations: cultural enrichment, health and physical education, social recreation, citizenship and leadership development, personal and educational development, and outdoor and environmental education. The Organization is primarily supported by contributions from the general public, grants from federal agencies and private organizations, investment earnings and special fundraising events.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Organization's financial statements have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Basis of Presentation

Under generally accepted accounting principles, the Organization is required to report information regarding its financial position and activities according to three classes of net assets based on the existence or absence of donor-imposed restrictions as follows:

Unrestricted net assets, consisting of unrestricted net resources, represent the portion of resources that are neither permanently restricted nor temporarily restricted by donor-imposed stipulations.

Temporarily restricted net assets represent the part of net assets resulting from contributions and other inflows for assets whose use is limited by donor-imposed stipulations that either expire by the passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations.

Permanently restricted net assets represent the part of net assets resulting from contributions and other inflows of assets whose use by the Organization is limited by donor imposed stipulations that neither expire by the passage of time nor can be fulfilled or otherwise removed by actions of the Organization.

Support and Expenses

Contributions received and unconditional promises to give are measured at their fair values and are reported as increases in net assets. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

The Organization reports gifts of goods and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Expenses are recorded when incurred in accordance with the accrual basis of accounting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donated Goods and Services

Donated in-kind gifts are recognized as contributions if they have ascertainable fair values and are able to be realized in cash or other liquid assets. Donated services are recognized as contributions if they 1) significantly enhance non-financial assets or 2) involve a specialized service that would otherwise have been purchased and whose values can be objectively measured.

A substantial number of volunteers have donated of their time to the Organization's program services and fundraising campaigns during the year. However, these donated services are not reflected in the financial statements since the services do not require specialized skills. Donated professional services are reflected in the statement of activities at their fair value. The Organization recognized \$4,164 in donated services for the year ended September 30, 2018 and \$1,284 in donated services were recognized for the year ended September 30, 2017.

Contributions of tangible assets are recognized at fair value when received. The amounts reflected in the accompanying financial statements as in-kind contributions are offset by like amounts included in expenses or assets. The Organization received donated assets of \$18,775 and \$6,801 for the years ended September 30, 2018 and 2017, respectively. In-kind support used for fundraising activities in the amounts of \$82,629 and \$66,016 for the years ended September 30, 2018 and 2017, respectively.

Values assigned to in-kind contributions and the related expenses are based on federal guidelines. In accordance with those guidelines, values are based upon estimated area-wide averages for purchased services, facilities or supplies of a similar type. In-kind contributions and expenses are recorded when used in the program and are not carried forward. In-kind contributions were \$111,473 and \$193,027 for the years ended September 30, 2018 and 2017, respectively, these consisted of donated materials and facilities and were recorded at fair value on the date of the donation.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held in various demand and interest-bearing accounts on deposit with insured financial and brokerage institutions. The Organization considers all investments with an original maturity of three months or less to be cash equivalents. Throughout the year and at year-end, the Organization's cash balances were deposited in several banks. Management believes the Organization is not exposed to any significant credit risk on cash and cash equivalents.

Investments

Investment securities are stated at their estimated fair value based on quoted closing prices. Investment income, including unrealized and realized gains and losses, interest, dividends and related items, is recognized in the statement of activities as it is incurred.

Fair Value of Financial Instruments

The Organization considers its cash and cash equivalents, accounts and grants receivable, prepaid expenses, accounts payable and accrued expense to be short-term in nature, and therefore their fair values approximate their carrying values.

Allowance for Doubtful Accounts

The Organization provides an allowance for doubtful accounts based upon management's review and analysis of specific receivables and considers the age of past due amounts. Accounts and Grants Receivable are written-off when deemed uncollectible. Recoveries of Accounts and Grants Receivable previously written-off or changes in allowance estimates are recognized as income when received or recorded. Based on management's review and analysis of its receivables, an allowance account was not deemed necessary for the years ended September 30, 2018 and 2017.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

Property and equipment are stated at cost, or if donated, at the fair value at the date of donation. All assets acquired by the Organization whose initial value or cost exceeds \$1,500 are capitalized and depreciated. Routine repairs and maintenance, including planning major maintenance activities are expensed when incurred. Depreciation is recorded using the straight-line method over the following estimated useful lives:

Buildings	7-75 years
Equipment	5-12 years
Furniture and fixtures	7 years
Automobiles	5 years

Pension Plan

The pension plan covers employees who are over 24½ years old and have been employed by the Organization for six months on a full-time basis. The cost of the plan is 3% of gross salary as of each anniversary date. At September 30, 2018 and 2017, pension expenses totaled \$47,745 and \$68,781 respectively, and have been included with Other Employee Benefits in the Statement of Functional Expenses. Contributions to the plan were in accordance with plan requirements.

Advertising Costs

The Organization expenses all advertising costs as incurred. The Organization received a grant to assist with advertising costs from a grantor of approximately \$0 and \$151,000 during the years ended September 30, 2018 and 2017, respectively. As of September 30, 2018 and 2017, advertising costs totaled \$13,165 and \$129,046, respectively.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Functional Classification of Expenses

The costs of providing the Organization's various charitable and general services have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, direct and indirect expenses have been allocated to program services or other activities based on their specific identification or the personnel resources utilized in the function. Supporting services consist principally of management and general costs not directly allocable to Program Services or Fundraising activities.

NOTE 5 – CONCENTRATIONS OF CREDIT RISK

The Organization maintains cash balances at Union Bank of California and Citibank of California. Accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. As of September 30, 2018 and 2017, balances did not exceed federally insured limits.

The Organization maintains securities at three investment service providers. Accounts at each provider are insured by the Securities Investor Protection Corporation ("SIPC") up to \$500,000. As of September 30, 2018 and 2017, investment balances did not exceed federally insured limits.

NOTE 6 – FAIR VALUE MEASUREMENTS

Generally accepted accounting principles define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest propriety to unadjusted quoted prices in active markets for identical assets or liabilities (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 – Inputs are quoted market prices (unadjusted) in active markets for identical assets or liabilities. Valuations for assets and liabilities traded in active exchange markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 - Inputs other than quoted prices within Level 1 that are observable, either directly or indirectly. Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or similar assets and liabilities.

Level 3 - Inputs are unobservable. Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounts cash flow models and similar techniques, and not based on market exchange, dealer, or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

The table below presents the balance of assets measured at fair value on a recurring basis:

	\$	68,781	\$	163,277

Net assets are released from donor restrictions by incurring expenses satisfying the purpose restrictions specified by donors as described in Note 2.

NOTE 11 – OPERATING LEASES

The Organization conducts the operations of the East Fresno Boys & Girls Clubs from a facility that is leased under a twenty-five year operating lease which commenced on February 1, 2008. Total annual lease payments under this lease are \$1. There is an option to continue the lease on a month-to-month basis after the lease term expires.

NOTE 12 – LINE OF CREDIT

In September 2018, the Organization entered into an agreement with Fresno First Bank for access to a revolving line of credit. Advances under the agreement cannot exceed \$200,000. Advances on the line of credit bear interest at 7.25%. The line of credit is secured by substantially all of the Organization's assets. There were no draws on the line of credit for the year ended September 30, 2018. The line of credit expires on October 5, 2019.

NOTE 13 – TAXES

The Organization has qualified as a not-for-profit organization and has been granted tax-exempt status pursuant to Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701(d) and is exempt from Federal and State of California income taxes.

Generally accepted accounting principles provides accounting and disclosures guidance about positions taken by an entity in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed.

NOTE 14 – CONTINGENCIES

Boys & Girls Club of Fresno County has received revenue for specific purposes that is subject to review and audit by the grantor agencies. Although such audits could generate expenditure disallowance under terms of the grants, it is believed that any required reimbursements will not be material.

NOTE 15 – SUBSEQUENT EVENTS

Management has evaluated and concluded that there are no subsequent events that have occurred from September 30, 2018 through the date the financial statements were available to be issued at May 27, 2019 that would require disclosure or adjustment.

The Place to Be

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN <u>ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS</u>

To the Board of Directors Boys & Girls Clubs of Fresno County Fresno, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Boys & Girls Clubs of Fresno County (the "Organization"), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 27, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the

determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
