Boys & Girls Club Week starts June 21st-25th

You're invited to participate in this years Boys & Girls Club Week!

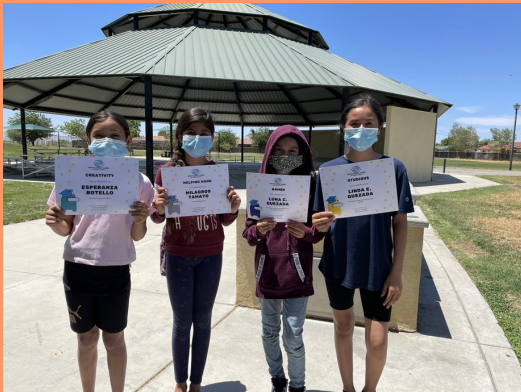

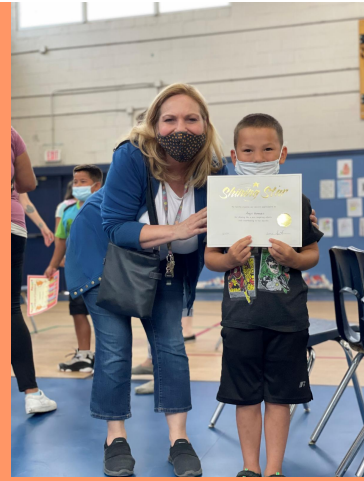

This special celebration offers everyone the opportunity to experience the life changing programs the Boys & Girls Club offers to children and teens in Fresno County. As part of the week, some 4,700 Boys & Girls Clubs across America and on U.S. military installations worldwide will host weeklong celebrations featuring the many ways that we are doing **whatever it takes** to help youth stay on track as the nation begins to recover from the COVID-19 crisis. Many of the week's celebrations will focus on our ability to provide safe places, academic support, workforce readiness, and health and wellness programs.

Congratulations

to all who finished the school year in our Learning Hubs!
